- Fire pit and picnic table at each pitch
- Pitches at least 15m apart
- Multiple paths from pitches to communal area
- Two double pitches - each with space for two household groups

- Engaged/vacant locks on toilet and shower doors
- Single use hand towels
- BENSEN1276 standard eco handwash (geranium!)
- Pitches allocated to particular loos
- Extra cleaning during the day
- Lift or push button taps
- We will wear masks whilst cleaning and at times when we meet guests face to face

- Timed slots for pizza oven and brick BBQs
- No shared kit this year
- Information/maps on display rather than in folders
- Clear panels at head height between the sinks
- Well spaced out seating within the dining tent
- Two water standpipes to allow better access to cold water

- Contactless payment for supplies
- Pitch balances taken through our booking system
- Trugs of wood and bags of charcoal available in the camp kitchen (trugs sanitized between loads)
- Full flexibility if you need to rebook your stay

- New circular farm walk from the campsite
- Visits to see the animals (but no alpaca walks for this year)
- We have removed outdoor games for now but kept the stick den
- The communal campfire is still at the heart of the campsite
